

Parking Improvements Scheduled for Sacramento Valley Station

The City of Sacramento, Department of Transportation will be re-surfacing and re-stripping the front parking lot at the Sacramento Valley Station (SVS). Parking lot improvements will take place on the following weekends:

- September 27 (early am) through September 28 (midnight)

The SVS parking lot will re-open Monday morning for daily commuters.

During construction, parkers can access the SVS lot by using the 2nd Street entrance. For your convenience, additional parking is available at the Old Sacramento parking garage, located at 2nd and I Streets.

The main entrance located at 5th and I Street will **not** be available to drop off and pick up passengers. Passenger drop off and pick up will be located west of the station at 2nd and I Streets. Please follow detour signs.

For questions about the project, please call Marcy Flores at (916) 808-4052
