

CCJPA On-Call Railroad Planning/Engineering Professional Services RFSOQ

Questions and Answers

Pre-Submittal Meeting – October 5, 2015

Q: What is CCJPA's role in the implementation of PTC (positive train control)?

A: Union Pacific Railroad will be responsible for the installation of PTC equipment on its railroad tracks; Caltrain will be similarly responsible on its tracks. CCJPA will oversee the installation of PTC equipment on the train rolling stock and also work with Union Pacific Railroad and Amtrak to ensure the safety compliance of our passenger rail service.

Q: Could you clarify the resume requirements for the prime and subconsultants?

A: Maximum of 5 resumes from the prime consultant firm, and max of 5 resumes from each subconsultant firm.

Q: Are there any DBE requirements for proposers?

A: No, there are no DBE requirements for this contract.
